

Offers for parents in the municipal integration center

2nd semester 2024

How does kindergarten work in Germany?

Are you looking for a kindergarten place and would like to find out more about kindergartens in Germany?

In this event you will find out what types of kindergartens there are and how registration works. We will also talk about what the children learn in kindergarten and how the cooperation with the teachers works. And you can ask all your questions.

Wednesday, 25.9., 10:00-11:30, online via Zoom

Info session “The education system in NRW”

We answer your questions about the education system from kindergarten to *Abi*. How is the education system structured? Which school is right for my child? What is expected of us as parents?

The event is available in different languages.

Tuesday, 29.10. from 19:30-21:30 in English, online via Zoom

Wednesday, 30.10. from 4-6 p.m. in German with translation in language groups at the Municipal Integration Center

Thursday, 31.10. from 12:30-14:30 in German with translation in language groups at the Municipal Integration Center

When registering, please indicate the languages for which you require translation.

Ready for elementary school?!

Is your child starting school in one or two years? Would you like to prepare your child well for school?

In the parents' talk we discuss which skills are important for school. We explain how you can easily promote these skills in everyday life.

Wednesday, 6.11., 16:30-18:00, online via Zoom

How can I promote my child's language development?

How do children learn language? What can I do as a mother/father to ensure that my children learn all their languages well? How can I promote language development in children aged 0-10?

A discussion as well as question and answer session for parents with children who are growing up with several languages.

Friday, 15.11., 10:00-12:00, online via Zoom

My child needs additional support - what does that mean?

Have educators or teachers approached you because your child needs additional support or may have special educational needs? Are you struggling to find your way around the many terms and responsible bodies? Do you want the best for your child, but are unsure which is the right approach?

Exchange ideas with other parents. Ask your questions and get advice.

Wednesday, 11.12., 17:30-19:00 at the Municipal Integration Center
